Quality of Life Through Excellence in Activities

Dedicated

IAPA is dedicated to enriching the education and professionalism of those working in activities to enhance the quality of life for individuals residing in a variety of care settings in Illinois.

Founded in 1979, IAPA consists of activity professionals, administrators and CNA's working within skilled nursing centers, rehab centers, assisted living facilities, retirement communities, adult daycare centers, senior centers, hospitals, Alzheimer/special care units, hospice services, psych facilities, DD/MR facilities, and sheltered care facilities.

For those we serve it is our goal to provide:

Fulfillment; Socialization; Physical Activity; Pleasure; Quality Events; Active Participation; Mental, Physical and Emotional Stimulation; Conversation; Companionship and Much More.
