Blended 36-Hour Activity Director Course

Activity Director Course Description

Create unique programs to meet the leisure, recreational, and activity needs of residents in nursing homes, assisted living facilities, senior housing, and supportive living facilities.

- Learn state and federal regulations for activities
- Hands on practice creating new programs
- Develop programs for residents with dementia
- Create dynamic programs for short-term rehab patients
- One-to-one programs
- Learn how to develop and write care plans, progress notes, assessments and participation records
- Programs for residents with mental illness and intellectual disabilities
- Marketing your activity program to attract new residents

Program Benefits

- Hands-on, fun approach
- Meets Illinois Department of Public Health requirements for Activity Directors
- Students who complete the course receive the 36 Hour Activity Director Course Certificate
- Discount available when registering 2 or more people from the same organization
- Great way to start a new career as an Activity Director

When

This is a blended class. You will spend 3 days with us on campus and 3 days working on a computer from the comfort of your home.

The class meets on campus on Tuesday April 2, Tuesday April 9, and Thursday April 11, 2019 from 8:30 to 4:00 pm. You must be present on these days to earn the certificate.

You will need a computer to work from home completing course work on April 3, 4, and 10, 2019. You must complete the coursework on these days to earn the certificate.

Campus Location

Harper College Learning and Career Center (LCC) Room 207
1375 S. Wolf Road, Prospect Heights, IL 60070

Cost

\$429.99 includes all course materials and certificate. There is a discount for organizations that register multiple staff.
